

FOOD SAFETY TESTING

Eastern Laboratory Services (ELS) can help dairy manufacturers manage their food safety risk by providing the most accurate, timely and cost-effective food safety testing services in the industry.

- All testing is Food and Drug Administration (FDA) approved. Our ELS technical, customer service and sample collection professionals take pride in their attention to detail, consistent high-quality service and the extra effort they put into meeting your specific needs.
- ELS makes testing easy and convenient. Samples can be sent through USPS, UPS or FedEx. Check and credit card are accepted.
